**Prather Kalman announces ESOP transaction**

*Latest announcement brings total to five for 2008*

**HOUSTON** - Prather Kalman P.C. today announced that the Brazos Paving Employee Stock Ownership Trust made its second acquisition of Brazos Paving Inc. shares. Prather Kalman acted as financial advisor to the trustee of the Trust. Menke & Associates designed and installed the ESOP for the Bryan, Texas company.

“The benefits of an ESOP serve both the employee and the owner,” said Herbert Kalman, Prather Kalman vice president and co-owner. “An ESOP gives employees the chance to claim ownership within a company. For the owner, an ESOP can provide immediate liquidity by the owner selling part or all of their business to the ESOP, and can serve as a succession plan ensuring the business will live on after they retire.”

Prather Kalman acted as financial advisor to each of these Houston-based companies in the following transactions:

- **Worldwide Turnaround Management L.P.:** WTMC Inc., owner of a majority interest in Worldwide Turnaround Management L.P., sold 100 percent of its shares to the WTMC Inc. Employee Stock Ownership Trust. Robert D. Roten acted as Independent Trustee and Benny Valek, Esq. served as counsel for the Trustee. Wayne Isaacks, Esq. represented WTMC Inc. and Menke & Associates designed and installed the ESOP.
- **Editions Inc., DBA American Art Resources:** The American Art Resources Employee Stock Ownership and Savings Plan acquired shares of Editions Inc. Wayne Isaacks, Esq. served as counsel for the Trustee.
- **Hose & Fittings Inc.:** The Hose & Fittings Employee Stock Ownership Trust acquired shares of Hose & Fittings Inc. Menke & Associates designed and installed the ESOP.
- **C-AIR-S Mechanical Inc.:** The C-AIR-S Mechanical Employee Stock Ownership Trust made its second acquisition of C-AIR-S Mechanical Inc. shares. Menke & Associates designed and installed the ESOP.

“We were very pleased with Prather Kalman’s assistance as we created our ESOP and had a second transaction,” said Billy Prewitt, assistant corporate secretary and plan trustee of Brazos Paving. “Without strong financial advice and assistance throughout the process, we would not have been able to accomplish this achievement.”
